

# Snell Real Estate donates Bicycles to Casa Hogar Orphaned Boys Glow with Excitement on Three Kings Day

Cabo San Lucas, B.C.S. Mexico January 9, 2000 -- Snell Real Estate president, Chris Snell, made a difference in the lives of 22 boys living at Casa Hogar in Cabo San Lucas in celebration of the Mexican holiday, "Dia de Los Santos Reyes" or "Three King's Day" on January 5.

Snell gifted 22 brand new bicycles to each of the boys ranging in age from 5 to 14 years old at Baja California Sur's only male orphanage, Casa Hogar, after visiting with local Notario and attorney Javier Mazoy and noticing that there were only two bicycles under the Christmas tree. As the tradition goes, Mexican children leave their shoes by a window in the hopes that the 3 Kings leave them gifts they've requested in a letter.

"It's important to be involved in the community and it's my pleasure to help make a difference in such a worthwhile philanthropic initiative as Casa Hogar," said Chris Snell.

Casa Hogar is located in Cabo San Lucas and is a safe haven to boy orphans who have been abused, neglected or abandoned. All of their daily needs are taken care of so that they can have as worry-free of an upbringing as possible. The goal of Casa Hogar is to provide a healthy, safe and loving environment for the children.

It takes approximately \$20,000 USD to keep the doors of this much-needed facility open. Visit [www.casahogarcsl.org](http://www.casahogarcsl.org) to learn more or to reach out.
