OVERVIEW

Santiago ofrece historia, naturaleza y autenticidad. Terreno amplio con cuatro cabañas con rooftop y vista al palmar y estero, para hasta cuatro huéspedes. Incluye casita con potencial para restaurante y espacio para construir más. Huertos, rutas de bici, senderos y aguas termales crean un entorno único con poca oferta de hospedaje. Excelente oportunidad de inversión con alta proyección. Santiago blends history, nature and authenticity. Large lot with four cabins featuring rooftop views of the palm grove and estuary, hosting up to four guests. Includes a house ideal for a restaurant and room to expand. Orchards, cycling routes, trails and hot springs enhance a unique setting with almost no lodging options. A strong investment with great potential.
