OVERVIEW

Residential lots in seaside community. Enjoy a sustainable lifestyle surrounded by natural beauty. The community is committed to preserving the natural beauty of the area, including the coral reef, which is home to a diverse array of marine life. Lot 08 is part of a set of three contiguous, nearly half-acre lots available in Phase 3. Purchase one for your dream home or acquire all three for added privacy. The lots are off-grid ready, with water provided by a private well and designed for solar power systems—perfect for reducing your carbon footprint while living comfortably. This is your chance to build in a community that values ecological responsibility and long-term conservation.
