OVERVIEW

Key Features: * Spacious land: With 13,200 square meters, this generous property provides the perfect foundation to create a visionary residential project or an exclusive private estate immersed in the natural beauty of Baja California. * Flat and versatile topography: The mostly flat surface of the land facilitates planning and construction, while its regular shape adds uniqueness and character, allowing for creative design. * Prime location in East Cape: Nestled in the community of Las Barracas, with easy connections to tourist communities such as La Ribera to the north and Los Cabos to the south. * Peaceful setting: With low population density, minimal noise, and a serene environment, this property guarantees privacy and tranquility, far from the hustle and bustle of urban life.
