OVERVIEW

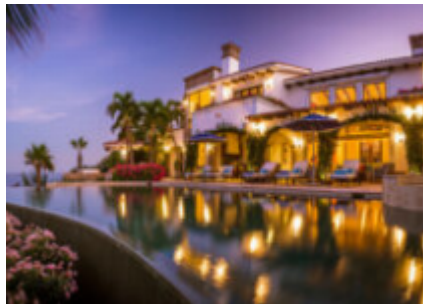

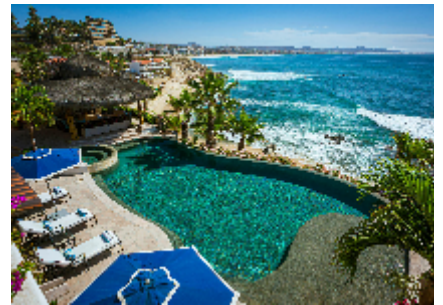

Along the bluffside in La Caleta—Palmilla's original and most exclusive beachfront enclave—Casa Estrella delivers oceanfront living with unapologetic style. Set above the waves at Old Man's surf break, this five-bedroom estate pairs bold architectural design with laid-back Baja luxury. A gated entry leads to a courtyard with cascading fountain, lantern-lit doors, and a dramatic two-story living room with floor-to-ceiling stone fireplace and sweeping Sea of Cortez views. Seamless indoor-outdoor flow brings you to an expansive terrace featuring a covered dining area, BBQ station, palapa with fireplace and TV, grassy firepit lounge, detached oceanview office, sun-drenched loungers, and a private stone staircase to the surf below.
