OVERVIEW

One of the few lots that offer the benefits of living in a residential community without maintenance fees. It features hydraulic concrete roads, and you can build your project to your liking, as long as it complies with the land use regulations. The lots have a sewage system, Telmex fiber optic preparation, as well as underground CFE connections. All this and more make the lots in Cardones Residencial an excellent option for those looking to build their home in a premium location, with all the conveniences, and most importantly, the freedom to build your way and to your taste. \$12,546,000 pesos
