OVERVIEW

17 individually offered lots in the Lomas de Palmira area, positioned along the highly desirable La Paz-Pichilingue Scenic Highway corridor (Km 2.5) near the marina and the waterfront hotel zone--an exceptional location to build a residence or launch a development project just minutes from the La Paz Malecón. This is a tourism-residential growth zone recognized for its strategic connectivity: quick access back into central La Paz, easy reach to the marina lifestyle, and direct route toward La Paz's most iconic coastal areas such as Balandra and El Tecolote--a combination that supports strong end-user demand and long-term investment potential. Lot sizes range from 294.61 m² to 601.40 m², providing flexible options for custom homes, rental-oriented builds, or phased development.
