OVERVIEW

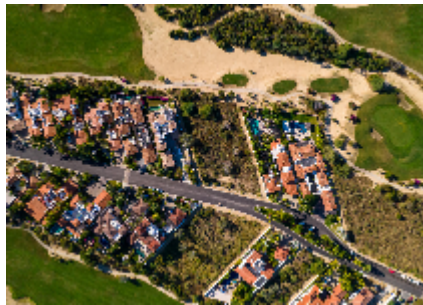

Lot 17 is located in Palmilla Estates, a sub-condominium of the master-planned Palmilla community in San Jose del Cabo. The property measures 1,478.60 square meters. Ideally situated at the tee boxes of the 9th hole of the Palmilla Mountain Course, this homesite allows you to enjoy the views and sounds of golf course living without the fear or danger of stray shots. Looking down the fairview allows views of the Sea of Cortez on both sides of Punta Palmilla. With recent changes in the structure of the golf course and memberships, and the newly released Palmilla Social Club, you have the choice to live a complete golf community lifestyle with access to golf and beach, or simply enjoy your beautiful golf course home without joining any clubs. This is a rarity in Los Cabos.
